Lots of luck with Boys
Steve Yaw

Hi Helen!
I sure have enjoyed knowing you these past two years. Thank you for listening to my problems in Study Hall — sorry I had to dump them all on you. Helen, you're one of the cutest girls in our class — in the school for that matter — and you have a great personality. I wish you all the happiness you can stand. Lots of luck in the future, and Keep Smiling. God Bless You.

Love & Luck
Marilyn

Dear Helen

Hi, You
good looking
neighbor you, that
I'm sure glad that
you are trying to learn
about cars, & don't want
to argue with you about anything
because then you wouldn't be sweet
to me + also & might bey something from
you down at your swinging establishment,
and & would like it very much if you would
give me a little discount, just because I'm sweet +
looking, + also you want my car to look
good- better, & + maby if you put a dollar
neat so you might take you down
worth of gas in my car & might take you down
to Vans, you look real good out on the football
field yelling + making a fool of yourself,
but I'm proud of you, so keep it up, + Be
a good girl + stay cute, your everloving
Pal, Pat (The Crog)

Francoise Arnaud, our Exchange Student from France, with her American sister Suzy Allegre who was our Exchange Student to Norway.

Francoise busy at work wearing the corsage she was awarded when she was chosen Girl of the Month for Charm.

Francoise Arnaud spent a happy year with her American family, the Robert Allegres of Troutdale. While she was here, Francoise made many new and lasting friends. She made a place for herself at Reynolds High School that will now be empty. Francoise was a very active senior while she was here. One of her favorite activities was Norski, the ski club. She is an excellent skier and made good use of the slopes at Mt. Hood. Francoise is a typical teenager who likes slumber parties and enjoys twisting. We all want to wish Francoise the best of luck throughout her life.

You're a really wonderful girl, even if it did take me this long to find out. I guess I sort of closed my mind to the fact. I don't know why but I'm sorry now because I'm sure I've missed having many funs with you. I just hope we will be the best of friends in the future and remember I loves ya.

Love
Sandi

Helen,

To my best-friend for always, no matter what happens or how far apart we are. You really do mean alot to me, even if at times I don't seam to show it. I'm sorry for the things that have happened lately I mean really sorry. Hope things will end up the way they used to be. I really miss you Helen. We being in Calif. and you up here. It just doesn't seam right at times. There are so many, many times that just the sound of your voice would do a world of good. I couldn't get along without you Helen, you mean much to much to me I want to thank you with all my heart for putting up with me & my moods. At times I know how hard it is. Then there are always the millions + millions of crushes we have gone through. The heart aches & the laughs. I remember one time a ride we took that ended up about diffeunt then we thought. Then there is always "Broadway." How about the little walk we took at Midnight!!! When did we go to Pams I guess I don't have to tell you how cute you are and the darling person you love. I know everyone feels the same way about you as I do. Its a duty to only everyon and you really have the friends. Maybe someday I'll be lucky enough to have half as many. Everyon has told me you are the best girl on Rally this year and even tho I haven't seen you little exibit I'm sure they are all right. I would have known that without anyone telling me. I wish I could go here this year, but because I'm not I guess letters are going to have to do!!! So far, everything looks in your favor as it always is, but, how could it be any different for a person like you. You'll always be up there on top Helen, and I couldn't be more proud of you. You have everything. Even my jeans. How many do you have now, anyway. I would if they are still wet!!! Well, I'm sorry I couldn't write 2 or 3 pages, but I don't want to keep repeating myself. So please be good and don't get grounded so much. I mean, after all, you just would end up like my someday. How awful. How about writing a few letters sometime!! Sure do like to get them. Good luck in everything, (if you know what I mean) Once again I will say you are more than fun to be with and I hope our friendship never ends. I'm not going to forget that we only have 1 year & months left, I hope you don't. Take care of yourself and remember there someone in Calif. who thinks alot of you!!

Love You Lots,
Mel

Helen,
...s I look back
over the years I now
...ledge that we are known
...onger buddy. I know I haven't
done right in most of the things I
...til last year, and I wish you to believe
me when I say that I am truly sorry because
of it. One of the biggest reasons that I am sorry
is because I know longer have you close to me. I
hope that before to long we can become better and closer
friends again. You are one of the few girls I have really enjoyed
seeing ~~and~~ around. You've taught me alot and I shall never forget
that wonderful, wonderful person-Helen Johns. I shall love you for ever

Love

P.S. Most of all I remember
on a cool, clear, night.
but anyway I hope to know
you better.

Helan,
You are really a doll
and I admire you tremendously.
You have a darling
personality & beautiful clothes
Always stay as sweet

Chip:

I won't start this out by telling you how fabulous you are an rally, how cute and what a darling personality you have cause people have already said it and I feel the same. I couldn't begin to tell you how much your friendship means to me cause I could write a book. Wish had some really fabulous times together and I'll never ever forget them cause they mean a lot to me. Remember when Mel had the ol' Frazer and we were down on Broadway and log over By Shirrie's hiding, Gosh Helen, you just have to learn how to control yourself. I've learned from experience to expect anything when you start laughing. hey— like you, I hope we can carry out our plans. going down to Cal. to work and the Apartment. I hope our friendship never ends but grows stronger as the years go by. I wish you all the luck and happiness in the world and May God Bless and Keep ya- Be good to all those unsuspecting boys. And remember I'll always love ya

"Di"

Helen-

This has been the first year that you and I have ever been really friends, seems like something was always in our way.

This year I want you to know you are one of my very closest friends. Helen, you're the best looking girl that this high school has got, and you're probably the best dressed.

Helen, I don't know how to tell you how really sorry I am for all the unhappyness that I may have caused you. I guess in the long run everything worked out all right.

I hope that now that you and I are friends, it can remain this way for always.

I hope you find what you're looking for in life, because you diserve all of the happiness that is offered.

Always look toward the sunshine and you'll never see the shadows. May you have as much happiness as tears - which - if you're like me is a lot.

Love, Luck
&
Lollipops.

Joey.

Neighbor,
Sorry I didn't start out with the usual Helen but I thought I would be different.

Pat was pretty mean in your artical, but wait until I get done.

There is one thing that you have done that I appreciate very much. You don't knock people as much as you use to. This is quite an accomplishment. If you need advise come to me. I sure hope your job is not affecting your life in any way. You work so hard. One more thing Helen Johns DON'T CALL ME DENNIS!!!! Thank you. I am also happy about another accomplishment you have made bleach, thats it your bleached hair has restored its color.

I well never forget you Helen, because your beauty is overwhelming, and your fabulous personality, a good sence of humor, and thank you for calling me Sugar.

Lots of Love
Denny

P.S. I hope I was kind enough to you.

Helen.
To start with you have one of the cutest smiles in school. Your smile is the kind that just won't quit. You seem to be a all around girl. I hope you have fun your last two years in high school. I know you will but be good to the boys always.
Love
Dee

your friendship means a lot to me. You're really a friend. I'm so glad you made rally. your were fabulous Friday night. What are you trying to do anyway, take all the boys away. Some day you'll have to come over and we can play Tinker-Toys (HA HA). Boy I didn't even get to see you this summer. (you lucky kid). You've got to spent a night with me this year. Stay just as cute and sweet as you are now. Be good, stay out of trouble unless I'm with you.

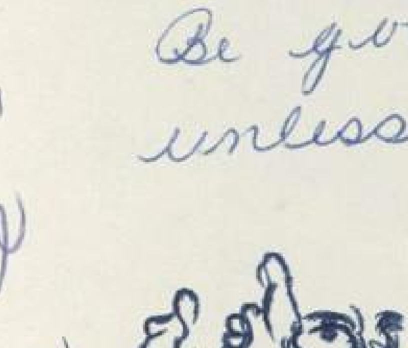
Gee whiz, Helen, you're so popular I can't hardly find room to write. But anyhow — hi!!! It's really been fun with you here at Reynolds this last year and I sure have enjoyed being your neighbor, even though you like to run around the neighborhood with your nightgown. Well, I'd better sign off since I'm running out of room.

To my favorite dancing Partner from Rick



P.S. My brother wants another Yo-Yo.
